She makes learning enjoyable and expects nothing but the best out of her students.
This was by far my favorite class since I have attended CBU. I learned alot from her that will help me throughout my college career.

Question: Additional comments

Dr. Lukowski's English class is the most challenging English course I have taken. Though it was challenging, it was enjoyable. She challenged us to look at certain justice issues in new lights.

I feel as if we had too much time for the bibliography, so the last few weeks were more rushed.
